HOW CAN PARENTS SUPPORT AND HELP?

- Refrain from asking your child/ ward to join a CCA he/ she has neither talent or interest for the purpose of DSA.
- Help ensure that he/she chooses a CCA that he/she enjoys and has interest in so that the child/ward
 - can stay committed
 - see himself/herself growing in it
 - fully benefit the CCA journey until graduation

HOW CAN PARENTS SUPPORT AND HELP IN THIS CCA JOURNEY?

- CCA at primary school is not compulsory but strongly encouraged because it provides them:
 - A whole-school experience that promotes camaraderie and team spirit among our students
 - Invaluable experiences and contribute significantly to students' character development and interpersonal relationships in preparation for secondary school.
- Encourage practice beyond school's participation
 - On their own
 - With their friends
 - As a family

When I was a teenager, I began to settle into school because I'd discovered the extracurricular activities that interested me: music and theater.
