HOW CAN PARENTS SUPPORT AND HELP?

- Collectively, helps us in helping your child/ ward to make the most out of their CCA experiences in this final year.
- In his/ her final year, help ensure that he/ she stays committed as changing of CCA is strongly discouraged.
- Encourage practice beyond school's participation in pursuing their passion and developing their talent
 - On their own
 - With their friends
 - As a family

HOW CAN PARENTS SUPPORT AND HELP?

- There is no stand down for Primary 6. Therefore, allow your child/ward to attend CCA although CCA is not compulsory and is strongly encouraged at primary school level. It provides them
 - a whole-school experience that promotes camaraderie and team spirit among our students
 - invaluable experiences and contribute significantly to students' character development and interpersonal relationships in preparation for secondary school.

People should pursue what they're passionate about. That will make them happier than pretty much anything else.
